On behalf of St. Vincent de Paul ministries, St. Charles Borromeo Church, we would like to thank the knitting ministry of St. Thomas More

Parish for the generous donation of scarves, gloves and hats. What a fantastic job!! Your commitment to helping our ministry in our community is sincerely appreciated. Each year, we continue to advance in helping the needy, with the help of donations from supporters such as you.

Thanks again for your generous support!!

Rev. Jaime Garcia, Pastor

Dear Fr. Taillon,

Please extend my heartfelt appreciation to your parishioners for the outstanding work they did transforming my closet space into an office. I know how labor intensive the job was, how physically demanding it was and how much personal time was spent working on behalf of St. Patrick Academy. As you know St. Patrick Academy serves those who would not otherwise have the opportunity of a Catholic secondary education due to affordability. Our students live in urban and inner city areas and come from low-income families that are diverse in religious, racial and ethnic backgrounds. More than half live in single parent/guardian households. I welcome a visit from your parishioners. If your parishioners would like to help we have mentoring and volunteer opportunities. We can use supplies and funds to support our school. Thank you again for being such good stewards and sharing your time and talents to improve the quality of life for our children. God bless you.

Merry Christmas!

Diane M. Holden, St. Patrick Academy

NEW SPIRITUAL BOUQUETS

After many requests, we are happy to offer larger spiritual bouquet cards with images of the Sacred Heart or Jesus in the Garden of Gethsemane. These hardbound cards are now available at the parish office.

DECEMBER 25, 2011

The God Child's Birthday!

We gather to celebrate around the manger this day to enter into the blessings and the graces of the Nativity of the Lord. Today, the entire world has a "Godchild"!

How can we celebrate this Christmas? With joy! The joy that comes from prayer, adoration and meditation about who and what has happened to the human race in Christ.

St. Francis of Assisi, who was moved by the Holy Spirit to construct the first manger scene, found that praying and thinking about the way in which our Lord came to save us leads to a deeper experience of love in the human heart. The sheer simplicity, poverty and vulnerability of God the Father's son move the heart to humble adoration. The Nativity of the Lord is so beautiful and moving.

The Christmas season is just beginning culminating with the Feasts of the Epiphany and the Baptism of the Lord. We should keep our Christmas decoration lighted and around us to remind us of the ongoing season. Yes, we really can wish others a "Merry Christmas" throughout this solemn season. We can reach out to the poor and the needy with our visits, calls, cards and prayers. We can deepen our understanding of Christ's presence and vulnerability in the Sacrifice of the Mass – the greatest gift He has left us.

I wish you and all your loved ones a joy-filled celebration of Christmas! May the New Year be one of blessing and graces! May Christ be welcomed into our hearts, homes and lives where he wishes to lay his head. We all have a "Godchild" this Christmas! How blessed we are!

Holy Christmas to you!

Fr. Tailon

If you do not have plans, join us next week for the 11 pm Mass and a midnight toast at St. Thomas More in the courtyard. What a wonderful way to usher in the new year by celebrating Mass together!
