*The Christmas story comes to life at
Monsignor Clarke School*

Living Nativity

Monsignor Clarke School

This year, the PTO decided to take a break from the traditional Christmas Bazaar and try something different. Collaborating with the MCS administration, we're planning a unique event that better reflects our school's Catholic identity while still raising funds for our students and school.

Together with our students, their families, and local parishes, we'll create a drive-thru experience that captures the true spirit of the Christmas season. We welcome parishes and local businesses to support this event and be recognized for their contributions.

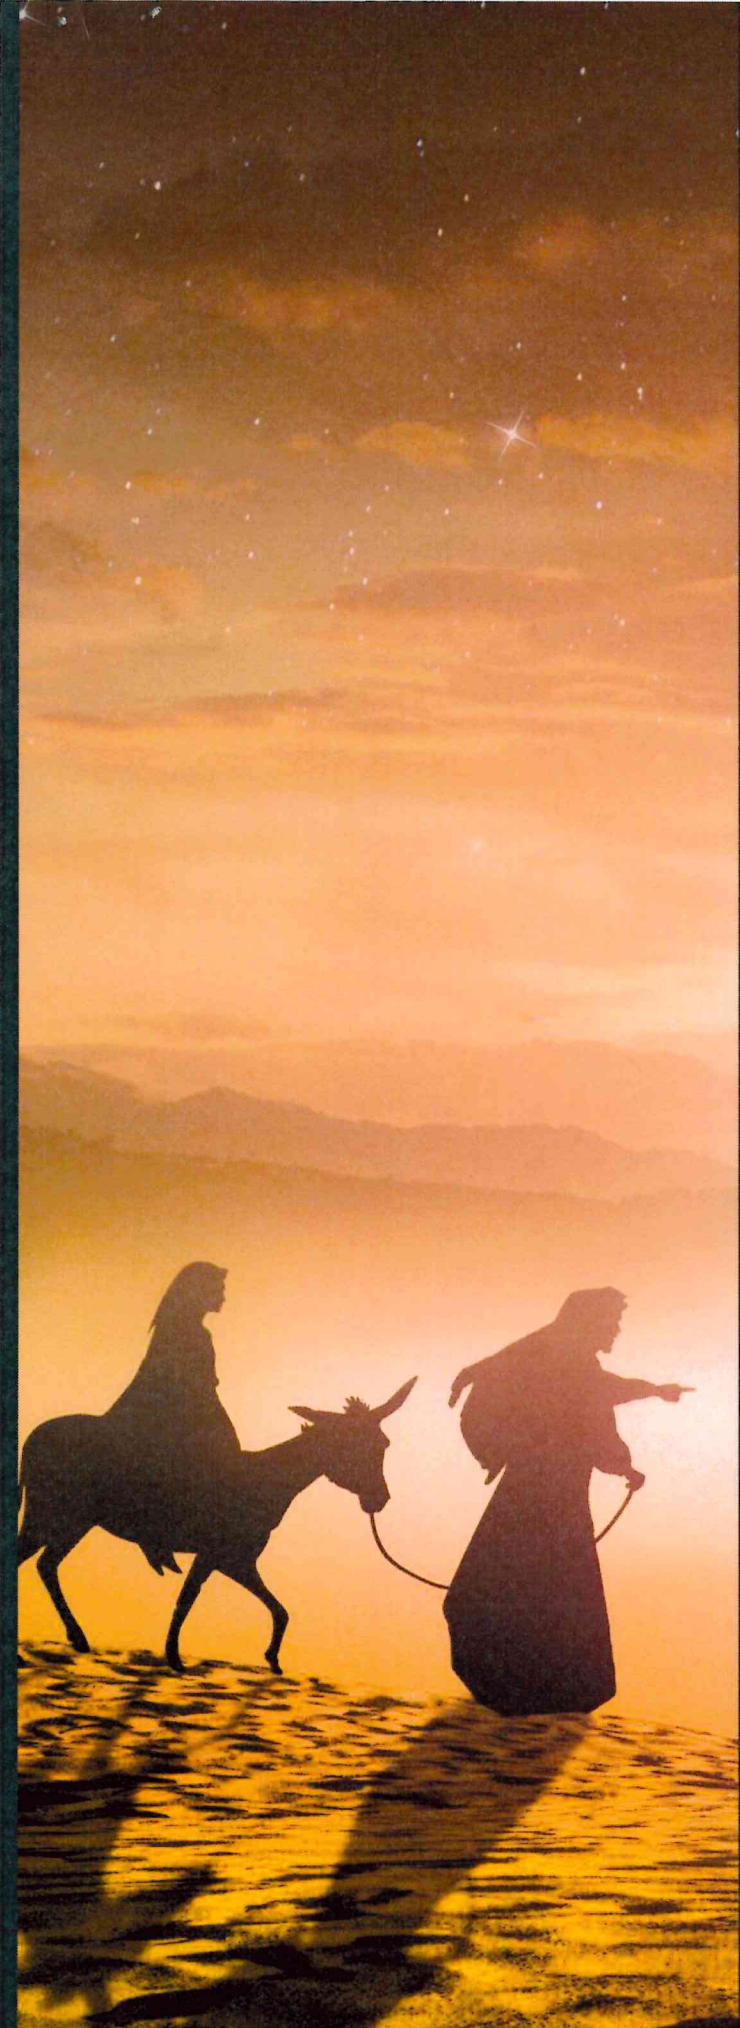

We're excited to work with you to establish a meaningful, new tradition for everyone in the community to enjoy.

The image shows the silhouettes of Mary and Joseph with a donkey against a starry night sky. Mary is riding the donkey, and Joseph is walking beside it, pointing towards the stars. The scene is set against a dark, starry sky with a bright star visible. The overall tone is serene and evocative of the Christmas story.

How it Works

- Guests Register online & pay a fee to reserve a time to drive thru
- Arrive at Shaws parking lot for check in (instructions) and snack pack distribution
- Arrive at MCS and listen to pre-recorded narration of Christmas story while driving around school
- Enjoy scenes with student actors, lights, decorations and at the end an appearance from Santa along with a reminder to keep *Christ* in Christmas.

Our Vision

We envision this working similar to a drive-thru Christmas light experience.

The narration will be pre-recorded by the students of MCS. Attendees can connect via their phone or Bluetooth to listen as they drive through.

Scenes will be created using backdrops and silhouettes that we will construct. Student "actors" with non-speaking roles will be dressed in costume. Students will take turns working in shifts at each scene with adult supervision.

After the last scene, guests can enjoy the drive-thru Christmas lights, decor, and decorated trees and catch a glimpse of Santa.

Before exiting the campus, guests will be reminded to keep "Christ" in Christmas.
